Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant submitted, with respect to the current 112(1) rejection issued by the Examiner, that the specification of the Instant Application was mixed up with the specification of a related Application, whose disclosure was incorporated by reference into the specification of the Instant Application, that was sent to the Office as part of the Applicant's response to the Non-Final Office Action and as requested by the previous Examiner. In view of this situation, the Examiner will withdraw the last Office Action and issue another Non-Final Action and the time period will be restarted accordingly. Meanwhile, before the new Action is issued, no response to the last Action, now being vacated, is expected from the Applicant. Finally, if the Applicant has paid any extension fee or otherwise, as a result of this situation, then the Applicant should be reimbursed accordingly.
